

For Students

How to use

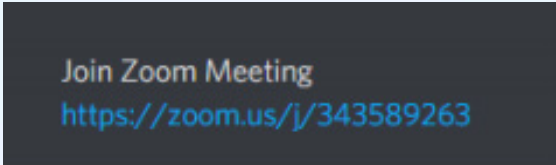

zoom

to connect to online instruction

1

An access link will be sent to the email you provided the college - please click that link.

An example of how a Zoom access link will appear in your inbox

2

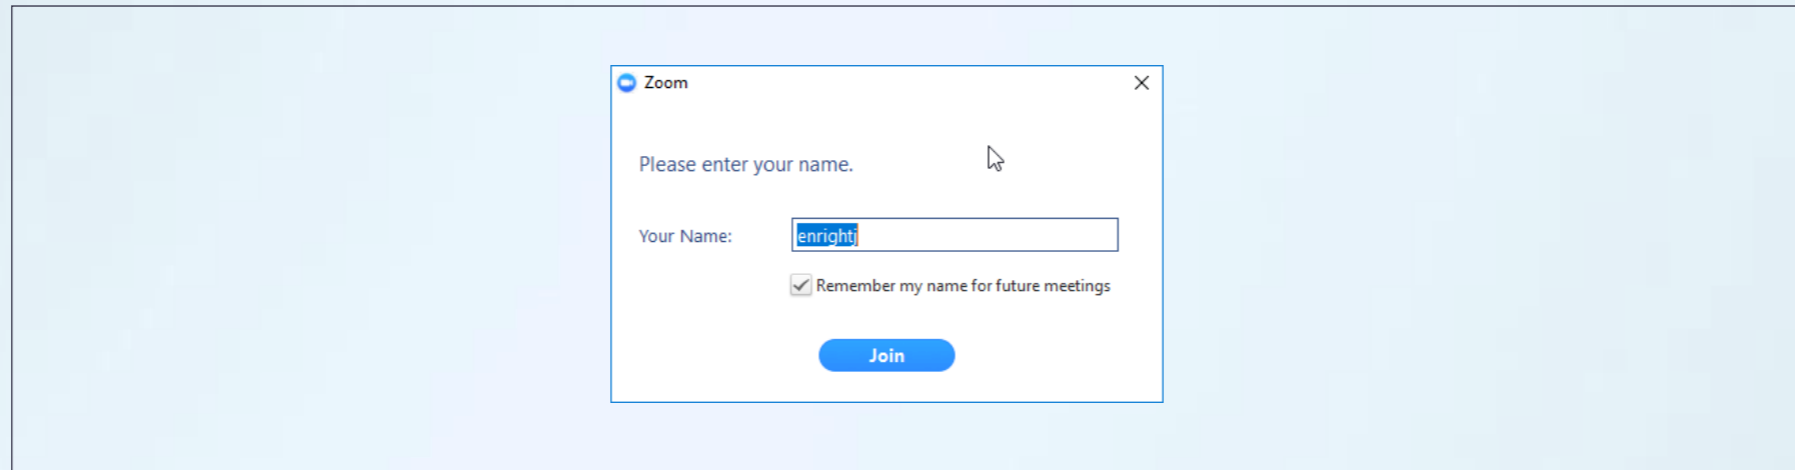

You will be prompted to download the Zoom client. Click “Run” or “Save File.”

If you choose “Save File”, open the location where you downloaded it and run the Zoom installer.

- 3** Input your display name when prompted, and ensure “Remember my name” is checked.

Please use your full name as this may be used for attendance.

- 4** Select whether you'd like to use computer audio (using speakers and microphone) to hear the session, or dial a phone number to hear it.

After joining the session, you may enter the chat room and alert the instructor of your attendance.

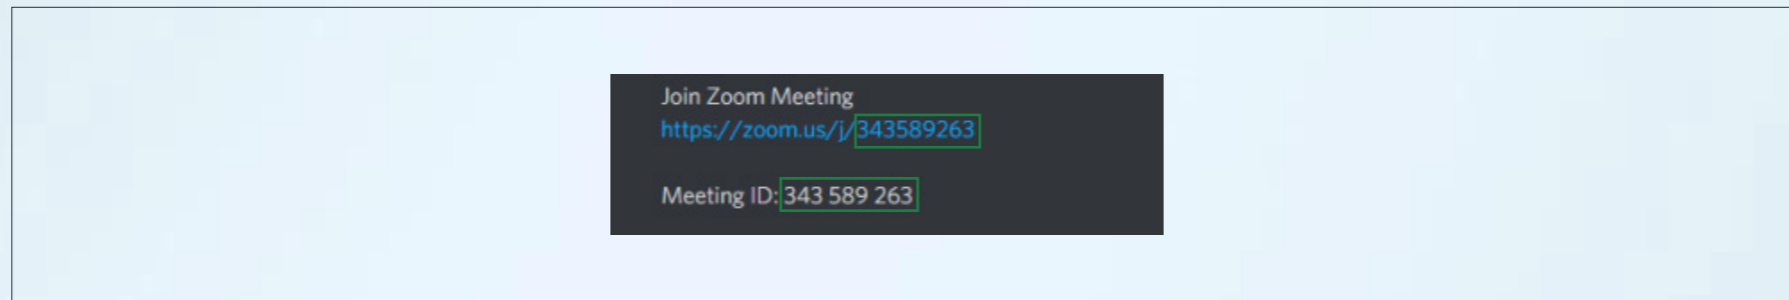

See the next page for tips and troubleshooting

Tips and troubleshooting

- *If Zoom asks for an access code, it can be found in the email you received, either at the end of the access link itself, or listed after “Meeting ID.”*

- *Please bookmark or save your access links as each class will continue to use the same link provided.*
- *Click “Open Zoom” if prompted to do so after clicking an access link for your scheduled online instruction session.*
