Eastwick Elite Scholarships

Twice each year – once in the spring and once in the fall – eligible students attending Eastwick College may apply for one of several need-based Eastwick Elite Scholarships. Eligible students must be currently enrolled and have a GPA of 3.0 or more.

The application period is one month long and is announced via Eastwick College’s social media platforms (Facebook, LinkedIn, Twitter, Instagram); flyers are also posted on Eastwick College’s Hackensack, Nutley, and Ramsey campuses. The application requires two essays to be submitted along with a signed Release Form.

Three weeks after the submission deadline, the scholarship winners will be announced. Their photo will be taken and they will be required to send a thank you note to the Founding Partners of Eastwick Elite Scholarships. The scholarship is applied to the winner’s tuition account.

For more information, contact the Foundation’s Executive Director, Jeanne M. Patrican, 201-357-8260 or jpatrican@eastwick.edu.
