Eastwick Elite Scholarships

Twice each year – once in the spring and once in the fall – eligible students attending Eastwick College and the HoHoKus School of Trade may apply for one of several need-based Eastwick Elite Scholarships. Eligible students must be currently enrolled and have a GPA of 3.0 or more – although some scholarships are awarded to students with a lower GPA. The application requires two essays to be submitted along with a signed Release Form. In 2022, 26 scholarships were awarded.

Information and an application form can be obtained via

- Eastwick Education’s social media platforms (Facebook, LinkedIn, Twitter, Instagram)
- Flyers posted on Eastwick College’s Hackensack, Nutley, and Ramsey campuses and at the HoHoKus School of Trade

Students may also send their email address to jpatrican@eastwick.edu and the application form and instructions will be emailed to them prior to each application period.

Four weeks after the submission deadline, scholarship winners will be announced. Their photo will be taken and they will be required to send a thank you note to one of the Founding Partners of Eastwick Elite Scholarships. The scholarship is applied to the winner’s tuition account.

For more information, contact the Foundation’s Executive Director, Jeanne M. Patrican, 201-357-8260 or jpatrican@eastwick.edu.
